	Ceiling Module	Hole Ceiling
<b>PCM/BR 336 - 3X36W</b>	600x600	575x575
<b>PCM/MR 336 - 3X36W</b>	600x600	575x575

### PCM/BR 2x36

**LUMINAIRE HOUSING AND PAINTING:** Same as model P SERIES.  
**OPTIC:** Large variety of optic diffusers as follows:  
 BR-Bright double parabolic diffusers of high quality with optic control of beams (Dark-light) glare free and dazzle, with a perimetral finish frame for embellishment and finest decorative outer trim.  
 MR- Mat double parabolic satin aluminium diffusers of high quality and great control of beams (Dark-light), but with a slight diffuse effect, due to the semidiffuse reflexion caused by the satin aluminium. At the same time

improves the cleaning and diffuser maintenance, with a perimetral finish frame for embellishment and finest decorative outer trim. On demand, upper parabolic mirror reflectors are available which can re-orient the zenithal flux of the lamp.

**ACCESORIES:** Brackets for plaster ceilings (on request).

	Ceiling Module	Hole Ceiling
<b>PCM/BR 236 - 2X36W</b>	600x600	575x575
<b>PCM/MR 236 - 2X36W</b>	600x600	575x575
